Putney Diner

PUTNEY DINER
 (Putney, VT)

"Art by Don, Pies by Karen,
 Insults by Ellie!"

All of my work is done in watercolor. Although the original diner paintings are large in size, the popular and affordable lithograph prints are signed by the artist, with diner title and location, and placed inside a museum quality 9" x 12" mat. These 9" x 12" pieces are available in either bright metal frames or simple plastic shrinkwrap. Upon request I also produce a "duet" series of two diners of your choice in a single 13" x 17" vertical frame, a "triptych" series of three diners of your choice in a 13" x 25" vertical frame, and a "quartet" of four diners in a 17" x 21" frame. All of these can be purchased in many fine galleries and gift shops or ordered directly from me.

Sincerely,
"Diner Don" Sawyer
